

Pine Valley Central School

Board of Education Goals

College and Career Ready

The Pine Valley School Board will support and encourage the development of a college and career minded education for all students.

Engagement with School & Community

The Pine Valley School Board will continue to encourage programs that increase parent and community participation and involvement with the school.

Student Achievement

The Pine Valley School Board will provide the resources and encouragement needed to improve and sustain a comprehensive and scaffolded curriculum including STEAM programs and/or activities.

Fiscal Responsibility

The Pine Valley School Board commits to being fiscally responsible and transparent in its support of educational programs and student outcomes.

Feedback

The Pine Valley School Board will endeavor to work with each other as well as all members of the school community in a constructive and collegial manner that honors civility but provides meaningful feedback and engagement.
