

Dear Second Grade Families,

We can't believe another month has past!
This year is going by so fast!

Academic Update

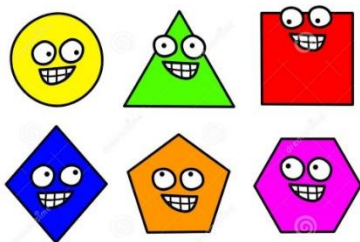

ELA & Social Studies

This month, we are learning both about the War of 1812 during skills. This unit talks about where the National Anthem and Pledge Allegiance comes from. We are talking about what immigration is and our ancestors in ELA. This unit talks about the push and pull factors that caused people to immigrate to the United States and how settlers migrated west across the current United States.

Mathematics

We will be finishing our time, money, graphs unit. We will then be moving into our geometry unit. We will be talking about shapes, and the properties of various shapes.

Closing Remarks

As always, please let us know if you have any questions, concerns, or comments throughout the year. We will continue to send out Remind messages and update ClassDojo as needed.

Mrs. Olson & Mrs. Garrison
