

Dear Second Grade Families,

Another month has passed. This year seems to be going by so fast. Our classroom temperature changes throughout the day, the students may want to dress in layers.

Parent/Teacher Conferences

Parent/teacher conference day are scheduled for either Wednesday or Thursday, November 28 and 29, 2017. Students will have a half-day on Thursday, November 29. Students will be dismissed at 11:25 am from the elementary. A separate note will be coming home with each student's specific time information. Please do not hesitate to contact us if we need to make other arrangements after those notes come home.

Pizza Hut Book It! Program

Our class will be participating in the Pizza Hut Book It! program this year. Our Book It logs are due at the end of the month. Please contact us if you have any questions about this program.

Academic Update

Mathematics

This month we are working on strengthening our understanding of place value. We are working on understanding hundreds, tens and ones unit values. We are talking about the different forms numbers can be written and how they all have the same value. Also, please keep practicing the basic addition facts with your student. Gaining a strong understanding of these basic facts will help the students with future mathematical concepts.

ELA

We will be finishing our early Asian' Civilization unit. Learning about the importance rivers play in civilizations.

Social Studies

We will be learning more about our communities, and the differences between Urban, Rural and Suburban neighborhoods.

Health

Mrs. Miller will be starting to help us with our Emotions unit. She will be coming in once a week to help us learn about our emotions and coping skills.

Closing Remarks

As always, please let us know if you have any questions, concerns, or comments throughout the year. We will continue to send out Remind messages as needed.

Mrs. Olson & Mrs. Garrison
