

PVCSD Technology Replacement Costs as of February 2018

Dell Latitude Laptop replacement costs

District laptop student devices are under technology insurance. Any unit that is damaged or destroyed by the student, including; accidental damage (drops and spills), cracked screens, liquid submersion, neglect or vandalism, will be covered by the Student/Parent As referenced in the PVCSD Student Handbook. Students will not be able to take home any device until the balance has been resolved.

For each incident that this occurs the price will be:

Processing Fee: \$10

Lost Dell Latitude Laptop: full replacement value of the device will be due.

Stolen Dell Latitude Laptop: same costs as above pending a police report.

Natural Disasters: no charge pending an insurance claim
