

# PINE VALLEY CLOTHING CLOSET

## *Pine Valley Clothing Closet*

The community clothing closet is a place where families in the community can pick out gently used clothing and hygiene products free of charge. The clothing closet is located at Pine Valley Elementary School in the boy's locker room. The hours of the clothing closet will vary depending on the month so please look over the monthly calendar. We are also accepting donations during the hours that the clothing closet is open or items can be dropped off at the front office at the Elementary School. All donated clothing needs to be gently used, freshly laundered, free of stains/rips, and with functional zippers, buttons, and snaps.

The Clothing Closet schedule is posted at the beginning of every month on the pval.org website under the "community" tab, or on the Pine Valley Central School Facebook page.

If you have any questions, feel free to contact Amanda Miller (Elementary School Counselor) @ [AMiller@pval.org](mailto:AMiller@pval.org).

Donated items include the following.....

Clothing Items	Hygiene Products
----------------	------------------
