

## **Pine Valley Elementary School Supply List 2024-2025 Grades UPK-6**

The following is a general list of supplies by grade level. Individual teachers may suggest additional supplies as classroom donations and, if that is the case, parents will be notified by the teacher. Don't forget to **label everything**. Trapper Keepers and bookbags on wheels are not recommended, as they do not fit nicely into our desks and lockers.

**Daily Physical Education and Recess:** Sneakers (no platform soles, flip-flops, Crocs, or slides), comfortable clothes. (If wearing a skirt or dress, wearing shorts under for class is recommended.)

**3PK & 4PK:** Water bottle, change of clothes (in a **labeled** gallon zip-lock bag), gym shoes and outdoor gear daily.

Pine Valley is proud to be able to provide most items typically found on a school supply list. As such, our supply list has been drastically reduced to help ease the back-to-school transition. We encourage every child to have a bookbag, water bottle, and gym shoes daily to be prepared for learning. Our Technology Team provides earbuds for every student. Should your child prefer a specific type of earbuds or headphones, feel free to send those to school.
