

2023-2024

Greetings Pine Valley Families!

My name is Brandi Meacham, and I am truly honored to be introducing myself as your Pine Valley Elementary School Principal! Prior to my time here at Pine Valley Elementary, I was the P-12 Coordinator of Special Education for Jamestown Public Schools. Other past experiences include 2 years as a district instructional coach along with 10 years of teaching experience at C.C. Ring Elementary in both kindergarten and first grade inclusion classrooms. I also taught inclusion preschool in Watertown, NY and Rochester, NY. In addition to my administrative certifications, I hold certifications for birth-grade 6 for general education, special education, and literacy.

I balance out a career I love with a wonderful family that includes my 2 children and my supportive husband, Brandon, who has been by my side for 21 years. Our daughter, Lillee, loves softball, singing, soccer, and basketball, so we are constantly running her around! Our son, Isaac, enjoys video games, soccer, Legos, and asking me so many questions! Although we stay quite busy, I try to find time for my favorite pastimes which include reading and football. We tend to joke around a lot in my family which keeps us smiling with this full schedule.

Education is a precious calling that I take very seriously! With that being said, I hope that we can all work together to enjoy the little moments, persevere through the challenging times, and laugh when we need to lighten the heavy burdens of a career that is so critical for the lives of so many children.

Sincerely,

Brandi Meacham

Your Pine Valley Elementary School Principal
