SAT School Day!

Yes, you read that right! Pine Valley is able to offer the SAT, here at Pine Valley, during the school day! **We will be administering the SAT on Wednesday, September 23rd starting in the early morning.** Students will be responsible to speak with their teachers ahead of time to make arrangements for this excused class absence.

The SAT is accepted at all US Colleges; it measures what students are learning in high school, and what they need to know to succeed in college and career. Now, SAT School Day gives them the opportunity to take the SAT at their own school on a weekday with:

- Less stress and fatigue: Students test in a place they know- better rested and prepared.
- Convenient Logistics: You don't have to worry about locating or getting to the test site.
- No weekend conflicts: School day testing won't disrupt weekend plans or family time.

Nothing builds confidence like practice. Students can access free, personalized SAT test prep on **Khan Academy** to help them score their very best; www.khanacademy.org. Students can also connect their PSAT scores to this online study tool and it will tailor their prep towards the questions they missed on the PSAT. If students need their PSAT codes again in order to link it up, please have them see Mrs. Chase.

We do need students to commit to taking the test with us by our **registration deadline of Friday, August 21st (although sooner is appreciated).** There is a fee for the SAT and pricing is below. We have to order supplies very soon and we are only ordering enough exams for those who make the commitment with their payment. If you wish to take the SAT with us, please complete the bottom portion and return it with payment to Mrs. Chase in the Counseling Office. Office staff are at the HS building Monday-Friday 7:30 am to 3:30 pm.

Please Note: This test must be scheduled and ordered by the CollegeBoard's deadline. However, in the event that school is closed due to the COVID-19 pandemic, this test will be cancelled, and student registration money will be returned.

If you have any questions, you may call the Counseling Office anytime, @ 988-3276 extension 4334.
