

Dear Parent or Guardian:

Your child has indicated a need to borrow a school calculator. Your child will be using the TI 83 Plus Graphing Calculator this year in class. Please take a few moments to discuss with your child the importance of taking care of this calculator as he/she will be responsible for returning it to the school in June in good working condition. Please sign the bottom portion of this letter and return it to Mrs. Goodwill. Upon receipt of this letter, your child will be issued a calculator and the serial number will be recorded, to help reduce the chance of theft.

Sincerely,
Mrs. Goodwill

I understand my child will be issued a TI 83 Plus Calculator and he/she will be responsible for the care of this calculator. If the calculator should be stolen, lost, or damaged he/she is responsible for replacing it or purchasing a new one through the school at a cost of \$106.00.
