September 2, 2020

Dear Parents,

The COVID-19 impact on our schools and communities has affected the child care needs of families across the county. As we approach the new school year, the Chautauqua Lake Child Care Center is available to assist families who are in need of child care. Financial assistance is available! In order to assess the need for child care and the need for financial assistance to pay for child care in Chautauqua County, they are asking families to complete this survey: [Child Care Needs Survey](#).

Upon completing the survey, if you have an immediate child care need, you will be contacted for assistance in finding (and paying for) child care. Child Care is a safe place for children to be. Precautions are in place with sanitization measures being taken to ensure children's safety while tending to their social, emotional and physical needs.

Families who are in immediate need of child care are encouraged to contact the Child Care Council Resource and Referral Specialist for assistance with finding quality child care. You may reach out to the Child Care Council by filling out the [Child Care Needs Survey](#), calling 1-800-424-4532, or by email: childcare@chautopp.org.

Very Truly Yours,

Bryna Moritz Booth
