

**ARP-ESSER Application: Part 2 - ARP Act****Introduction/Instructions - Summary & Background**

---

**Summary & Background**

PINE VALLEY CSD (SOUTH DAYTON)

060601040000

**SUMMARY & BACKGROUND**

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

**ARP-ESSER Application – Part 1:** The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

**ARP-ESSER Application – Part 2:** The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

**Project Period**

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

**Project Number**

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

**Submission Deadline**

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

**ARP-ESSER Application: Part 2 - ARP Act**

Introduction/Instructions - Summary & Background

---

**APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS**

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

**ARP-ESSER Application: Part 2 - ARP Act**

Introduction/Instructions - Submission Instructions

---

**Submission Instructions**

PINE VALLEY CSD (SOUTH DAYTON)

060601040000

**Directions for Submitting the Application:**

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

*Office of ESSA-Funded Programs - Rm 320 EB*

*RE: ARP-ESSER Application – Part 2*

*New York State Education Department*

*89 Washington Avenue*

*Albany, NY 12234.*

**Deadline for Submitting the Applications:**

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

**ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination**

PINE VALLEY CSD (SOUTH DAYTON)

060601040000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

**NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.**

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

Throughout the pandemic we have conducted various online, paper, and phone surveys to gauge the needs of our Pine Valley Community. This includes 2 surveys in the Spring of 2019, during the Summer of 2019, 2020, and 2021, as well as during the Fall of 2020 and 2021. During this time we have made sure to include a variety of stakeholders such as parents, teachers, staff, administrators, community members, students, union representatives and local officials. The Director of Special Education, homeless liaison, administration and department heads then reviewed this data to see what decisions could be made to best support their needs. The Superintendent, Business Official, and Director of Curriculum/Special Education discussed the ARP grant with the Board of Education at the June Board of Education meeting and at both July Board of Education meetings where input was given by the 9 member Board of Education and the community members in attendance. During the 2019, 2020 and 2021 school year the Superintendent has also met with all Pine Valley Central School District employees on zoom to share information, solicit input and answer questions regarding the development of our plan. The LEA will have a feedback form on the American Rescue Plan Act section of our website for community input. We will also continue to engage the Board of Education and Community through discussions held at the Board of Education meetings. This was done most recently in October 2021, but will continue at minimum every other month. Should there be an increased need (based on feedback obtained via the online form and at Board Of Education Meetings) a zoom session will be scheduled to gain more community input in a safe socially distanced manner.

**ARP-ESSER Application: Part 2 - ARP Act****LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

---

2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.

The plan will be posted in the following section of the Pine Valley Central School District Website

- <https://www.pval.org/Page/3907>

For those that request the a copy of the plan they can contact the superintendent's office and a paper copy will be printed for pick up at their earliest convenience.

**ARP-ESSER LEA Base 90% Allocation - Program Information**

3. In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.

Our school district finished the last quarter being in person 5 days a week. To do this we relied heavily on cleaning and disinfecting protocols established that aligned with the CDC guidance and the New York State Department of Health guidance. The CDC strongly encourages social distancing and to do this we will have additional classrooms available, establish additional outdoor learning areas for both academic content, fine arts, and physical education, create an additional drop off location utilizing an existing building entrance so that the volume of students entering through the main door of the building is significantly decreased at arrival and dismissal. We will also need to ensure that teachers have the tools to support safe in person learning.

4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.

To get baseline data and progress monitor students in the areas of ELA and Math we will use a variety of standardized and local measurements. We will be using the IRLA assessment to evaluate literacy skills in students K-6. We will also be analyzing student performance quarterly as they align to the state. iReady will be used to assess student progress in Math and ELA grades K-8. State test scores from the previous year and locally developed assessments will be used to create intervention groups in grades 9-12. Pine Valley will also use a social and emotional screener to monitor student and family mental health needs. These ongoing assessments will provide data to help drive the interventions. The interventions we plan to use in our school district include, co taught subjects, SEL lunch groups, Small group ELA and Math interventions that occur in the classroom, afterschool support for struggling students, and summer enrichment and intervention programs. The interventions that are planned to support these students include Step up to Writing, Orton Gillingham, Rode to the Code, Words Their Way, Research based math strategies, Kagan Engagement Protocols, iReady (math / ELA) and IRLA resources.

5. In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.

We will be utilizing an after school program to provide academic, social and emotional supports to students outside of the school day. We will also be supporting the implementation of an additional Math Intervention Teacher through hiring the additional staff member, purchasing math intervention materials and investing in a more robust math core curriculum, investing in additional learning spaces and materials, and exploring a more effective ELA curriculum in grades 7/8 to account for the loss and instructional time. Summer learning opportunities for grades 1-12 will be also be utilized. We will plan for tutors for students who need support during remote learning.

**ARP-ESSER Application: Part 2 - ARP Act****LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

---

**6. In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

**Staffing:** We will be investing in additional support for students through the addition of a social worker. We will be adding an additional aide for early learning so that they can support our youngest learners who did not have access to UPK during the 2020-2021 school year. We will be advertising for high quality certified teachers in several newspapers to attract them to work in our rural district.

**Learning Spaces/Materials:** Special masks and coverings will be ordered to allow for instrumental music instruction to occur. Walkie Talkies will be purchased so that as learning is occurring in outdoor spaces we can assure that teachers have access to building team and vice versa. A printing press will be purchased to allow for another hands on learning option to be used in the art classroom. This additional art station will allow for another socially distanced learning station to be set up in the art room. Chairs (and a storage rack) will be purchased so that we can have more socially distanced parent engagement events on our campus. Music recorders will be purchased so each student has their own recorder instead of shared instruments to reduce spread of germs. Laptop computers will be purchased to allow more flexibility in instruction instead of the use of a desktop. A classroom carpet will be purchased to create an additional learning space in a classroom to promote social distancing. Mask brackets will be purchased for teachers and music students to allow for better projection when masked and teaching or singing. Additional math intervention materials and consumables will be purchased to reduce the sharing of materials to help mitigate the spread of germs.

**Technology/Software:** A technology educator will be purchased to help support student and staff as we focus on how to use technology to promote inquiry, network updates will be performed so it can better handle the higher demand of the devices being used for socially distanced collaboration and instruction. We will purchase online based math interventions to support fact fluency. Software will be purchased to support the transportation department as they develop socially distanced routes for students while keeping the bus rides a reasonable length. Ipad insurance will be purchased to protect devices as they are used more frequently for learning both in school and at home. Communication software will be used to increase the teacher teams capacity to support several students with limited speech abilities. An updated badge printer and badges will be purchased to ensure proper access for staff and students

**Professional Development:** Professional Development from American Reading Company will be used to increase the effectiveness of our ELA instruction. Members of the administrative team and teachers will attend professional development opportunities to increase their capacity to support learning in our school district through conferences such as Learning and The Brain. We will continue to expand our team to be better equipped to handle emergencies through CPR/First Aide/CPR training.

**Campus adjustments:** We will expand our outdoor learning spaces by creating new surfaces outdoors for students to learn on, and improving our current surfaces so that they can be used for multiple reasons regardless of wet or snowy conditions. We will create outside classroom areas for learning, create spaces for socially distanced Physical Education, physical therapy, occupational therapy and early learning. Signage will be purchased to ensure visitors understand new traffic patterns and directions so that socially distanced drop /off and pick ups can occur. Pop up tents will be purchased to provide shade during outside learning, and to create outside learning areas. Our HVAC systems will be upgraded to ensure maximum usage for the buildings while complying with CDC recommendations for the system.

**ARP-ESSER Application: Part 2 - ARP Act****LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

---

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

All of our students in our district fall into one of these subgroups that have been disproportionately impacted by the COVID-19 Pandemic.

72% of our students are economically disadvantaged and 4% are students experiencing homelessness and 4 students or less than 1% of our students are in foster care. To support these students we have hired a social worker to address the social and emotional needs 16% are students with a disability, 4% are students experiencing homelessness, Therefore Students in each of the subgroups will be monitored for academic growth in the following ways:

Low Income Families:

- Implementation of an RTI Model
- Data meetings every 4-6 weeks
- Benchmark and progress monitoring using iReady (math and ELA) and IRLA (ELA)
- Administrative meetings to discuss and adjust plans as needed district wide
- Progress notes
- Parent input
- Social emotional support through our school counselor and social worker in class and in small group or individually as needed.

Students of Color:

- Implementation of an RTI Model
- Data meetings every 4-6 weeks
- Benchmark and progress monitoring using iReady (math and ELA) and IRLA (ELA)
- Administrative meetings to discuss and adjust plans as needed district wide
- Progress notes
- Parent input
- Social emotional support through our school counselor and social worker in class and in small group or individually as needed.

English Learners:

- Implementation of an RTI Model
- Data meetings every 4-6 weeks
- Benchmark and progress monitoring using iReady (math and ELA) and IRLA (ELA)
- Administrative meetings to discuss and adjust plans as needed district wide
- Progress notes
- Parent input
- Social emotional support through our school counselor and social worker in class and in small group or individually as needed.
- BOCES ENL Services (Contracted)
- RAZ Kids Spanish Edition

Students With Disabilities:

- Implementation of an RTI Model
- Data meetings every 4-6 weeks
- Benchmark and progress monitoring using iReady (math and ELA) and IRLA (ELA)
- Administrative meetings to discuss and adjust plans as needed district wide
- Progress notes
- Parent input
- Social emotional support through our school counselor and social worker in class and in small group or individually as needed.
- Orton Gillingham progress monitoring and lessons

Students experiencing Homelessness:

- Implementation of an RTI Model
- Data meetings every 4-6 weeks
- Benchmark and progress monitoring using iReady (math and ELA) and IRLA (ELA)
- Administrative meetings to discuss and adjust plans as needed district wide
- Progress notes
- Parent input
- Social emotional support through our school counselor and social worker in class and in small group or individually as needed.

- Progress notes
- Parent input
- Social emotional support through our school counselor and social worker in class and in small group or individually as needed.
- Math/ ELA Interventions
- ENL Supports through contracted services with BOCES.

**ARP-ESSER Application: Part 2 - ARP Act****LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction**

---

**ARP-ESSER Return to In-Person Instruction**

PINE VALLEY CSD (SOUTH DAYTON)

060601040000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

**NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).**

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

The most current reopening plan is posted in the following section of the Pine Valley Central School District Website

- <https://www.pval.org/domain/294>

For those that request the a copy of the plan they can contact the superintendent's office and a paper copy will be printed for pick up at their earliest convenience.

**ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

---

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

**In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.**

The Pine Valley administrative team will review the plan and adjust it based on staff & community input, Board of Education feedback, CDC guidance and the Department of Health guidance in February and August of each year through September 30, 2023. The plan will then be adjusted and posted on the website and information shared on social media.

	FUNDING Amounts (\$)
1 - Any activity authorized by the ESEA, including the Native Hawaiian Education Act and the Alaska Native Educational Equity, Support, and Assistance Act (20 U.S.C. 6301 et seq.).	0
2 - Any activity authorized by the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1400 et seq.).	286
3 - Any activity authorized by the Adult Education and Family Literacy Act (AEFLA) (29 U.S.C. 3271 et seq.).	0
4 - Any activity authorized by the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins V) (20 U.S.C. 2301 et seq.).	0
5 - Any activity authorized by subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (McKinney-Vento) (42 U.S.C. 11431 et seq.).	0
6 - Coordinating preparedness and response efforts of LEAs with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19.	0
7 - Providing principals and other school leaders with the resources necessary to address the needs of their individual schools.	29,857
8 - Activities to address the unique needs of low-income children or students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care, including how outreach and service delivery will meet the needs of each population.	419
9 - Developing and implementing procedures and systems to improve the preparedness and response efforts of LEAs.	48,585
10 - Training and professional development for staff of the LEA on sanitation and minimizing the spread of infectious diseases.	0
11 - Purchasing supplies to sanitize and clean the facilities of the LEA, including buildings operated by such LEA.	0
12 - Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the IDEA and ensuring other education services can continue to be provided consistent with all Federal, State, and local requirements.	57,474
13 - Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the LEA that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.	492,000
14 - Providing mental health services and supports, including through the implementation of evidence based full-service community schools.	217,500
15 - Planning and implementing activities related to summer learning and enrichment and supplemental after-school programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children and youth in foster care.	0
16 - Addressing the academic impact of lost instructional time among an LEA's students (including low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care) by: a) Administering and using high-quality assessments that are valid and reliable to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction; b) Implementing	862,313

PINE VALLEY CSD (SOUTH DAYTON)

060601040000

**PLEASE NOTE:**

The Office of Facilities Planning, in collaboration with NYSED's Chief Financial Officer and the Office of ESSA-Funded Programs, is developing guidance regarding capital construction projects based on the United States Department of Education (USDE) recently issued FAQs for this federal program. The Use of Funds FAQ (released May 26, 2021) may be of particular interest, since it discusses construction and combination of funds. Links to the federal program website are below:

<https://oese.ed.gov/offices/american-rescue-plan/american-rescue-plan-elementary-and-secondary-school-emergency-relief/>

ESSER.GEER\_FAQs\_5.26.21\_745AM\_FINALb0cd6833f6f46e03ba2d97d30aff953260028045f9ef3b18ea602db4b32b1d99

Local Educational Agencies (LEAs) which intend to do federally funded work using ARP-ESSER funds must first file FS-10s and other documents as required by the Office of ESSA-Funded Programs. If a project would normally require a building permit if supported by state/local funds, it must also have a building permit if supported by federal funds (or a combination of funding streams). Facilities Planning forms are under development at this time.

**1. What is the amount of funds that the LEA plans to use for construction related projects?**

500,000

**2. In the space provided below, please described the planned construction activities and costs.**

Due to the CDC Guidance for social distancing we plan to allocate \$250,000 to create a multi use surface that will be used for physical education classes and other classes as an outdoor learning area. The area will be able to be used for basketball and tennis among other activities. 2 concrete pads will be poured (1 by the elementary school and 1 by the high school) so that picnic tables can be used to create an additional outdoor learning and dining option so that social distancing can be maintained during both learning and eating to help reduce the spread of COVID 19. \$100,000 will be used to develop an outdoor learning space and \$150,000 will be used to allow our playground to double as areas for outdoor instruction the playground will be equipped with a rubber surface that will allow the surface to be properly cleaned between use.

**3. Will the planned construction impact and/or effect any district, site, building, structure, or object that is: Included in the National Register of Historic Places; or Eligible under criteria established by the Secretary of Interior for inclusion in the National Register of Historic Places?**

No, the planned construction will not impact and/or effect any district, site, building, structure, or object that is: Included in the National Register of Historic Places; or Eligible under criteria established by the Secretary of Interior for inclusion in the National Register of Historic Places.

**ARP-ESSER - Construction-Related ASSURANCES****4. The LEA assures it will have or obtain a full title or other interest in the site, including right of access, that is sufficient to insure the grantee's undisturbed use and possession of the facilities for 50 years or the useful life of the facilities, whichever is longer. § 75.603 (Authority: 20 U.S.C. 1221e-3 and 3474)**

☒ YES, the LEA provides the above assurance.

**5. The LEA assures it will ensure that sufficient funds are available to meet any non-Federal share of the cost of constructing the facility. § 75.604**

☒ YES, the LEA provides the above assurance.

**6. The LEA assures work will begin on construction within a reasonable time after the grant for the construction is made. § 75.605 (Authority: 20 U.S.C. 1221e-3 and 3474)**

☒ YES, the LEA provides the above assurance.

## ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Construction-Related Costs

---

7. The LEA assures the construction will be completed within a reasonable time and the LEA shall complete the construction in accordance with the application and approved drawings and specifications. § 75.606
- ☒ YES, the LEA provides the above assurance.
8. The LEA assures that the construction is functional; economical; and not elaborate in design or extravagant in the use of materials, compared with facilities of a similar type constructed in the State or other applicable geographic area. § 75.607. Further, the LEA assures that it shall, in developing plans for the facilities, consider excellence of architecture and design and inclusion of works of art. The grantee may not spend more than one percent of the cost of the project on inclusion of works of art. § 75.607 Authority: 20 U.S.C. 1221e-3 and 3474)
- ☒ YES, the LEA provides the above assurance.
9. In planning for and designing facilities, the LEA assures it shall observe the standards under the Occupational Safety and Health Act of 1970 (Pub. L. 91-576) (See 36 CFR part 1910); and State and local codes, to the extent that they are more stringent. § 75.609 Further, the LEA assures it will submit an application for a Building Permit to NYSED Office of Facilities Planning for review and approval prior to construction.
- ☒ YES, the LEA provides the above assurance.
10. The LEA assures that it shall comply with the Federal regulations on access by the handicapped that apply to construction and alteration of facilities. These regulations are:
- For residential facilities - 24 CFR part 40; and
  - For non-residential facilities - 41 CFR subpart 101-19.6. § 75.610
- ☒ YES, the LEA provides the above assurance.
11. The LEA assures that, in planning the construction, the LEA shall, in accordance with the provisions of Executive Order 11988 of February 10, 1978 (43 FR 6030) and rules and regulations that may be issued by the Secretary to carry out those provisions: Evaluate flood hazards in connection with the construction; and as far as practicable, avoid uneconomic, hazardous, or unnecessary use of flood plains in connection with the construction. § 75.611
- ☒ YES, the LEA provides the above assurance.
12. The LEA assures that it shall maintain competent architectural engineering supervision and inspection at the construction site to insure that the work conforms to the approved drawings and specifications. § 75.612
- ☒ YES, the LEA provides the above assurance.
13. The LEA assures that it will comply with the regulations on relocation assistance and real property acquisition in 34 CFR part 15. § 75.613
- ☒ YES, the LEA provides the above assurance.
14. The LEA assures that, when construction is completed, sufficient funds will be available for effective operation and maintenance of the facilities. § 75.614
- ☒ YES, the LEA provides the above assurance.
15. The LEA assures that it shall operate and maintain the facilities in accordance with applicable Federal, State, and local requirements. § 75.615
- ☒ YES, the LEA provides the above assurance.

## ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Construction-Related Costs

---

16. The LEA assures that, to the extent feasible, it shall design and construct facilities to maximize the efficient use of energy. § 75.616 Further, the LEA shall comply with ASHRAE standards in designing and constructing facilities built with project funds. § 75.616 The following standards of the American Society of Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE) are incorporated by reference in this section:

- ASHRAE-90 A-1980 (Sections 1-9).
- ASHRAE-90 B-1975 (Sections 10-11).
- ASHRAE-90 C-1977 (Section 12)

Incorporation by reference of these provisions has been approved by the Director of the Office of the Federal Register pursuant to the Director's authority under 5 U.S.C. 552 (a) and 1 CFR part 51. The incorporated document is on file at the Department of Education, Grants and Contracts Service, rm. 3636 ROB-3, 400 Maryland Avenue, SW., Washington, DC 20202-4700 or at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202-741-6030, or go to:

[http://www.archives.gov/federal\\_register/code\\_of\\_federal\\_regulations/ibr\\_locations.html](http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html). These standards may be obtained from the publication sales department at the American Society of Heating, Refrigerating, and Air Conditioning Engineers, Inc., 1791 Tullie Circle, NE., Atlanta, Georgia 30329. § 75.616

☒ YES, the LEA provides the above assurance.

**ARP-ESSER Application: Part 2 - ARP Act****LEA ARP-ESSER Plan - ARP-ESSER Allocation - Budget****ARP-ESSER LEA Base 90% Allocation - Budget**

**PLEASE NOTE** - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "*TBD*" or "*Varies*" cannot be accepted on the FS-10 or Budget Narrative forms.

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

1. **Please upload a completed and signed copy of the FS-10 Budget for the ARP-ESSER LEA Base 90% Funds.**

PVCSDARP2.pdf  
ARPrevFS10.pdf

2. **Please upload a completed copy of the Budget Narrative for the ARP-ESSER LEA Base 90% Funds.**

ARP\_BN22.pdf  
ARP\_BN21REV.pdf

3. **Please complete the following table by providing total proposed expenditures by budget code for funding in relation to the ARP-ESSER Application – Part 2. This information should match the Budget Summary page of the FS-10 budget form.**

	Total Funds (\$)
15 - Professional Salaries	363,495
16 - Support Staff Salaries	75,000
40 - Purchased Services	462,161
45 - Supplies and Materials	652,297
46 - Travel Expenses	12,312
80 - Employee Benefits	146,868
90 - Indirect Cost	0
49 - BOCES Services	402,000
30 - Minor Remodeling	350,000
20 - Equipment	150,000
