INTERIM SUPERINTENDENT’S REPORT
- **Board Service** - Jim congratulated Jeff and Josh as the new board president and vice president, welcomed Charlie as the new student board representative, and thanked all the members for their volunteer service to the district.
- Jim noted that his *transition/entry plan* is going smoothly thanking the administrators and secretary for their assistance.
- Every school district in New York State will need to abide by recent legislation which no longer gives an exemption from **immunizations** for religious reasons. Medical exemptions are still allowed. Students will be banned from attending school (public, parochial, private, daycares) unless they meet immunization requirements. Our district’s summer newsletter being mailed in mid July includes a full-page article about this. Parents/guardians of students who still need immunizations to start school in September will be contacted directly. At the end of June we had 12 students district-wide who still needed immunizations to begin the 2019-20 school year.
- Kelly Zimmerman attended the *Rural Schools Conference* in Cooperstown and co-presented a workshop with NYSIR (our insurance company) on community engagement. Kelly noted that she would be willing to share some of the presentation/information at a future board meeting.
- Carrie Davenport noted that 67% of our staff is participating in at least one *professional development* opportunity either on campus or off campus this summer.
- Josh Tedone reported that 22 students are participating in *Driver Education* this summer, that all who started are still attending and that everyone who wished to participate was able to. Credit Recovery and Middle School Summer Skills classes are also going well.
- Jamie Rodgers reported that the business office is currently closing the 2018-19 school year and will have everything ready for the auditors prior to the start of the *annual audit* which will begin July 22nd.
- David Vanzile noted that we will be preparing a replacement schedule and preventative maintenance schedule for our *buildings & grounds equipment/vehicles.*

BOARD REPORTS (committee, conference/training, extracurricular event – i.e. sports, play)
- **Josh** – noted that his son is loving summer enrichment.
- **Terry** – is figuring out flow of meetings and items reviewed.
- **Christie** – thanked the Board for the opportunity to attend the Rural Schools Conference indicating it was a phenomenal event rich with information specific to rural schools.
- **Darlene** – noted that her daughter is beyond excited attending summer enrichment and already talking about wanting to be a student volunteer when she is too old to be a participant.
- **Larry** – noted that he’d like to have representatives from the solar industry make a presentation to the Board this fall. *(It was noted that this could be done in a buildings & grounds committee meeting.)*
- **Jerry** – thanked the Board for their warm welcome.
- **Rose** – noted that she has two children involved in the summer enrichment program and loving it – one as a participant and one as a volunteer.
- **Jeff** – thanked the Board for their trust in him to be president and indicated that he was open to comments, suggestions, and constructive criticism.
- **Charlie (student representative)** – noted that the band marched in the Cherry Creek parade on June 29th and that, though optional for students, there was a great turnout. Credit recovery and driver’s education classes are going well and the schedule was constructed to accommodate students who wished to take both. Charlie thanked everyone for their warm welcome and is looking forward to the year ahead with the opportunity to bring up some new ideas in the future.

Adjourned meeting at 8:42 pm.
