**Discussion Items:**

- **Using Second Superintendent Conference Day for Start of School Year**
  
  Discussed scheduling the second 2015-16 superintendent conference day on September 8th rather than October 9th or April 29th as previously approved. This would give staff the opportunity to receive additional training (including RTI training) prior to the start of the school year. It was suggested that the Supt. Conf. days be held on September 1 & 8 and October 9. There will be a resolution on the July 29th special board meeting agenda to approve a revised 2015-16 calendar.

- **Board Retreat**
  
  Mr. Payne proposed a Board Retreat to discuss 1) teaching/learning and data related to that and 2) financial situation/5 year plan. The information discussed during the retreat would be used to formulate district goals for 2015-16. It was decided to hold two evening sessions from 5-9 pm on Monday, August 24th and Thursday, August 27th at David Kohler’s home.

- **Teacher Aide Staffing**
  
  Mr. Payne reviewed projected changes for the coming school year in special education student enrollment at PV. Given current projections, it appears that the reduction of four aides, possibly five, will be necessary. Once enrollment and scheduling are solidified, a recommendation for board action will be moved forward.

Adjourned meeting at 8:40 pm.
