Welcome Back!

I can't wait to get to know all my new students. I love reading to my class. I hope you love to read too. If not, that's okay. We can work together to discuss your interests and hobbies and then we can find some really great books you will enjoy.

As for me, I had a busy summer with my family and friends. I can't wait to hear about your summer. I have been busy making plans for an exciting new school year. I will miss my three dogs when I return to school, but I am glad you will be in my classroom to keep me company.

I hope we have a great school year together!

Sincerely, Mrs. Mansfield

(Charlotte, Rufus, Maggie)

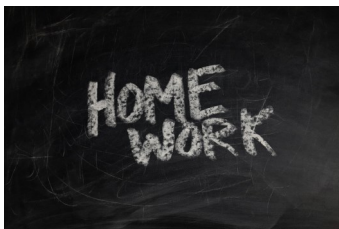

Join REMIND

Classroom and school information will be sent to your phone, email or computer. This is how I will be communicating with families all year long. I have attached the sign-up instructions to join Mansfield 22-23. If you want to know what's going on in our classroom you need to join Remind, instead of receiving paper copies.

Scholastic Book Orders

I will be sending home book order forms every month. Feel free to order online. My class code is J8VHW. You can also send your order in with a check made out to Scholastic Book Clubs. All orders come to school and I will send it home with your child.

I generally do not send a lot of homework home. If I do it is because a student did not complete his/her work during the day or I feel extra practice is needed in reading and/or math or your child was absent. Please complete work and return back to school. Thank You!

We plan on going outside every day, weather permitting. Please dress appropriately for the weather. Sneakers required on the playground.

Water Bottles

Student may bring a water bottle to school. Please make sure their name is on the bottle.

Welcome Student Teacher

Miss Alea Gugino will be in our class this Fall semester as a student teacher from SUNY Fredonia. She is working towards getting her teaching degree in Elementary Education and Special Ed-

ucation. She loves her cat named Bonita and enjoys walking around Point Gratiot. We look forward to having Miss Gugino in our class through October.

PLEASE sign the attached student release form for Miss Gugino so she can video tape herself teaching in the classroom for her evaluations. These videos will not be used for any other purpose. Return ASAP.
