Superintendent's Report:

- The CSEA union approached me about the retirement of Lorri Pchelka, who was a Cleaner I, and they would like to replace her position with a Cleaner II. Changing this position would be an additional cost of \$4,000 to the district. At this time, I do not recommend this change however it is worth reviewing in the future.
- I will bring a Shared Decision-Making Plan to the board next month.
- A change order will be coming for sanitation near the wood shop.
- On November 28th the daycare will be open to toddlers.
- On December 15, we will be touring the Thomas Bus Factory in Avon, NY. Specifically, we will be looking at electric school buses. We plan to leave the school at 8:00 in the morning, so we should be at the factory around 10:00. Lunch will be provided, please let Lindsay know if will be attending.
- At December's meeting there will be a Safety Presentation.
- The snow day video was released and there has been positive feedback on it.
