- **Capital Project** – Scott Payne
The Building & Grounds Committee is adjusting scope and looking at components of the project. Majority of projects involves ADA compliance and HVAC system replacement. Possible work includes: relocation of business office to south end of building across from superintendent's office, air conditioning in 3rd & 4th grade rooms where summer instruction will take place and renovation of the football field for use as a soccer field (wider, improving drainage, moving light poles).
- **School Meal Program - 2018-19 Pricing** – Jamie Rodgers
We will break even this school year. There was discussion on raising lunch prices for 2018-19.
- **Update on Distance Learning Opportunities** - Kelly Wetzler

It was a beautiful kindergarten ceremony yesterday with a reception/displays in the classroom and primary hallway. Cindy Snyder has coordinated planting school gardens with elementary classrooms.
