PINE VALLEY CENTRAL SCHOOL
South Dayton, NY
District Offices/Elementary School: 7755 Rt. 83
Jr./Sr. High School: 7827 Rt. 83

April 25, 2023

Greetings, Panther Families!

I hope you are all well and had a nice April Break. We are excited to have the students back after the break. Below please find just a few updates and announcements from the district.

Playground - Construction on the center courtyard playground is well underway. Everything looks beautiful and should be able to be utilized in June as long as progress continues as it has been. This space will encompass play areas for students up to age twelve.

Mock DWI Event - On May 12, 2023, we will have a mock Driving While Intoxicated event at the Pine Valley High School for students in grades 9-12. The purpose of this event is to show students the dangerous repercussions of driving while under the influence. Please know that police, emergency services, and Mercy Flight are part of this event, and do not become alarmed if you see them on campus.

Mock DWI Event Note for Students in 9-12 Grades - Students in grades 9-12 will be called down to the auditorium around 9:40 am. They will watch a short video. From there, they will exit to the football field until approximately 11:15 am to view the accident and response. They will return to the building for classes/lunch. They will then be called down to the auditorium at 1:30pm for the remainder of the Mock DWI Event.

Friday, May 26, 2023 Closure – On May 26, 2023, school will not be in session at Pine Valley Central School for students or teachers. We did not utilize all of our emergency closure days. Therefore, pursuant to the teachers' contract, this day will be off for students and teachers. Those students attending classes at BOCES will still have the opportunity to be transported. If your child would still like transportation to their BOCES classes on this day, the Pine Valley main office staff will assist with setting that up.

Early Learning - The infant room will still be opening in May of 2023. We are thrilled to support this program. Please contact Little Love Bugs if you are interested in either class. The phone number there is 716-241-7344.

Summer Services – Please note this is repeat information regarding our summer services. This summer, we will offer Summer Enrichment, Summer School, Extended School Year, and Summer Drama Club again this summer. Summer Enrichment will be for students entering grades 1-6. Summer School will be for students entering grades 7-12 who need credit recovery. Extended School Year is for students with individualized education plans that qualify for this service. Summer Drama Club is for students in grades 5-8 with a culminating performance.

I will regularly post the beautiful things happening in our district on Twitter at @brynamoritz. You can reach me via email at bmoritz@pval.org, stop in to see me, or call me at 716-988-3293.

Thank you for trusting us with your children.

Very Truly Yours,

Bryna Moritz
