September 28, 2021

Good evening, Panthers! This is Mrs. Brandi Meacham, PVES Principal calling with a few updates and reminders.

Each day families should be completing the COVID-19 daily questionnaire to monitor students for symptoms related to the COVID-19 protocol. If your child exhibits any symptoms, please keep him/her home and contact our school nurse, Kathy Bukoskey. If you need a new screener to post at home, please check our website at [www.pval.org](http://www.pval.org) or contact your child's classroom teacher.

Save the Date: Open House will be October 7th from 5:00-6:30pm. It will be an outside event, more information to come. We have a rain date of October 19th from 5-6:30pm.

School calendars are printed and will be mailed out ASAP.

If you have a student that is quarantined, the student will be marked absent from school causing an automated call to families. Please understand that we know why your child is home and appreciate your assistance. We cannot however stop the calls from coming to you. When remote work is returned, absences will be adjusted to remote present.

We will be hosting a soccer clinic on Friday, October 8th from 3:30-5:30 pm rain or shine. This will be for ages 4-12. Please watch for the flyer coming home with more information.

Pine Valley Central School District will be working with Chautauqua County Department of Health to offer screening testing to our families. This is yet another tool that we can provide to help keep our students, families, and staff safe during this pandemic. Please read through the paperwork regarding the screening that will be sent home tomorrow with your child. If interested, please return the consent form to your child's homeroom teacher or the main office. Thank you for your time and consideration of this matter.

Have a great night Panthers!
