October 26, 2021

Good evening, Panthers! This is Mrs. Brandi Meacham, PVES Principal calling with a few updates and reminders.

Panther families you might qualify for a temporary FCC program that offers COVID relief discounts of up to \$50 per month off your internet bill. Check it out at GetEmergencyBroadband.org

The FCC is also changing the way to dial into our area. You will need to dial the area code 716 to reach our school. Beginning October 24, 2021, you must dial 10-digits (area code + telephone number) for all local calls. On and after this date, local calls dialed with only 7 digits may not be completed, and a recording will inform you that your call cannot be completed as dialed. Consumers must hang up and dial again using the area code and the 7-digit number. Beginning July 16, 2022, dialing "988" will route calls to the helpline.

A Technology Survey is coming home to all elementary school families. Please complete the form for each student in your home and return before November 19th. These surveys are required for our district to complete.

We will be having students and staff dress up for Halloween this Friday, October 29th. No full-face masks or weapons should come to school as part of costumes. We sent a flyer home regarding a school parade that families can attend. Please note, the weather for Friday does not look cooperative. If it rains, we will have an indoor parade for students and staff only. We will video the parade for families to view later.

Parent Teacher Conferences are on November 22nd from 12-4pm and 5-8pm. If you would like to schedule a parent teacher conference with one of your child's teachers, please contact your child's classroom teacher.

November 1st is a district-wide in-service day for teachers. Students will not have school on November 1.

November 2nd is our school's picture retake day for students that need their pictures taken.
