December 12, 2021

Good evening, Panthers! This is Brandi Meacham, PVES Principal calling with a few updates and reminders.

First, I would like to say THANK YOU to our families for a successful Parent-Teacher Conference night and a wonderful Secret Santa Shop! Both events helped our building feel alive!

Bus safety is especially important in a rural district like ours. Please check Facebook for winter safety tips and consider reviewing sitting and masking procedures for the bus often. All students should come to the bus with a mask on and keep the mask over their nose and under their chin for their bus ride.

We ask that each family acknowledge the Student Handbook and Technology agreements through our FamilyID system. The link to FamilyID can be found on our school website at www.pval.org.

The PVES will be hosting a COVID-19 vaccination clinic for students between the ages of 5-11 on Thursday, December 16th from 8:30-10:30 am. More information and registration paperwork will be sent home this week. Parents interested in getting a vaccination may also participate. All registration paperwork for children and adults must be received prior to 12/16th.

Next week begins our 8 days of holiday dress-up! Check out the flyer sent home and participate on any day that sounds like fun!

Have a wonderful evening!
